Boat Details

Price	POA	Boat Brand	Yamaha
Model	F150 DEC	Length	0.00
Year	2023	Category	Boat Engines and Outboards
Hull Style		Hull Type	
Power Type		Stock Number	F150LCA
Condition	New	State	Western Australia
Suburb	CANNING VALE	Engine Make	

Description

The F150 DEC sees Yamaha’s premium Digital Electronic Control (DEC) technology, previously only seen on Yamaha’s big horsepower range, introduced to the popular 150 horsepower segment. This ‘fly-by-wire’ control delivers extremely smooth and precise throttle operation, for a more enjoyable and effortless boating experience.

The larger 2.8 litre displacement of the F150 DEC, delivers increased low and mid-range torque, helping to get up on the plane quicker and with less effort. The F150 DEC is fully compatible with Yamaha’s new CL5 touchscreen multi-function gauge. This gauge is also NMEA2000 compliant, providing full connectivity to third party marine equipment.

The 150 horsepower is now available in both signature Yamaha grey and new pearlescent white colour options, in extra long shaft length only.

Technical Specification

Height [mm]L: 516 [20.3] | X:643 [25.3]

Weight [mm]L: 219 | X: 220

Engine [mm]4-Stroke, 16 Valve DOHC Direct Action In-Line 4

Displacement [mm]2785

Bore [mm]96 x 96.2

Max RPM [mm]5000-6000

Lubrication [mm]Wet-sump

Fuel [mm]EFI

Ignition [mm]TCI

Starter [mm]Electric

Alternator [mm]12V - 50A with Rectifier Regulator

Operation [mm]Drive by wire remote control

Tilt [mm]Power Trim & Tilt

Gauges [mm]Optional

Network Gauges [mm]Optional

Gear Ratio [mm]1.86 : 1 (Counter Rotating Prop Available)

Engine Details

Horse Power	150
