189 Bannister Road Canning Vale WA 6155

Description

With its advanced 16-valve, four-valve-per cylinder, Single Overhead Camshaft (SOHC) design and large 1.8 Litre displacement, the F75 delivers the ultimate combination of unbridled power and refined performance for the mid-range outboard market. The F75's lightweight powerhead configuration, refined shaping of the combustion chamber and lean fuel burn technology, means this outboard is extremely fuel efficient, while also delivering an exceptionally smooth and quiet riding experience. This outboard is compatible with Yamaha's comprehensive range of Command Link gauges and NMEA2000 compliant, meaning you can share engine information with third party multi-function displays, GPS and fish finder systems.
